SECTION 5 — REPORTING, ACCOUNTABILITY & ENFORCEMENT

5.1 – Responsibility to Report Concerns

- I. Coaches and volunteers share responsibility for protecting the safety, integrity, and positive environment of Orting Junior Wrestling.
- II. Coaches and volunteers shall promptly report suspected violations of this Code involving athlete safety, abuse, harassment, threats, serious misconduct, prohibited conduct, or other circumstances that may place a wrestler or another individual at risk.

SECTION 5 — REPORTING, ACCOUNTABILITY & ENFORCEMENT Continued

5.3 – Review of Conduct Concerns

Reported concerns shall be reviewed in a manner appropriate to the nature and seriousness of the circumstances.

- I. The Board of Directors, or individuals appropriately designated by the Board, may gather relevant information, speak with involved individuals or witnesses, review available documentation, and take other reasonable steps necessary to understand the circumstances.
- II. When appropriate, the individual whose conduct is under review should be provided a reasonable opportunity to respond to the concern.
- III. The Club may consider the nature and severity of the conduct, athlete safety, prior conduct, surrounding circumstances, cooperation during the review, applicable rules or policies, and the potential impact on wrestlers and the Club.
- IV. OJW may coordinate with or defer to PCJWL, USA Wrestling, school or facility representatives, law enforcement, child-protection authorities, or other appropriate organizations when required or appropriate.

5.4 – Corrective & Disciplinary Action

Violations of this Code may result in corrective or disciplinary action as determined appropriate under the Club's Bylaws, policies, and applicable governing requirements.

Depending upon the nature and severity of the conduct, action may include:

The Board may consider the seriousness of the conduct, whether the conduct was intentional or repeated, athlete safety, prior warnings or violations, the individual's role and responsibilities, cooperation and accountability, applicable governing requirements, and other relevant circumstances when determining an appropriate response.
- III. Serious misconduct may warrant immediate suspension, removal, or other significant action without prior warning or progressive discipline.

5.6 – Retaliation Prohibited
